## Sinibaldo

IGT Toscana red 2018

Alcohol  
content:

14,00%

Grape variety:

Cabernet Sauvignon 50%

Merlot 25%

Sangiovese 20%

Petit Verdot 5%

**Winemaking process:**

Hand-picked grapes, alcoholic fermentation in steel tanks, malolactic fermentation in first and second passage barriques with batonnage. Aging in first and second passage barriques for 12 months. Aged in bottle for 4-6 months.

**Organoleptic properties:**

Bright ruby red colour with garnet highlights and beautiful consistency. Bouquet marked by notes of ripe durone nero cherries and plums in alcohol, followed by floral and balsamic sensations and toasted hints. Good volume on the palate with tannins and acidity in evidence balanced by reassuring softness. Persistence marked by fruity and toasted cacao returns.
